The New Concept

LINEN
RENTALO

A Complete Linen Management Service

"Your Business Our Linen"

COMPLETE

LINEN

MANAGEMENT

Today one of the biggest issues in Hospitality and healthcare sectors. in India is either the lack of Linen or if the Linen is available then it is dirty, full of stain or torn. This leads to a complete dissatisfaction amongst patients and also leads to lot of hospital acquired infection.

To resolve this issue We have come up with a concept of

WASH - HIRE SERVICE i.e. LINEN RENTALO

GIVE

GET

HOW IT WORKS?

All clean linen will be provided to the Client staff on "Clean Against Dirty" basis. That is pre-designated supervisors of Dhobhghat and the client will exchange linen based on how much dirty linen is handed over by the client to Dhobhghat on a given day. The Client shall depute a responsible person from linen management team that will take clean linen from Dhobhghat count it and sign the delivery challans for both clean and dirty linen and be responsible for overall exchange.

Linen Rentalo makes laundry a very easy process that is beneficial for the clients as it reduces the step involved in laundry cycle thus making it a quick process. Also makes client free from various headaches related to Laundry and saves capital & time.
